The Project is financed by Government of the Punjab (GoPb).

### 1.2 FRAUD AND CORRUPTION

Anticorruption policy prevailing in Pakistan requires that applicants/bidders, suppliers and contractors observe the highest standard of ethics during the procurement and execution of contracts. In pursuance of the afore-mentioned policy, the Employer:

(a) defines, for the purposes of this provision, the terms set forth below as follows:

- (i) “corrupt and fraudulent practice” means the offering, giving, receiving, or soliciting, of anything of value to influence the action of a public official or the contractor in the procurement process or in contract execution to the detriment of the procuring agency; or misrepresentation of facts in order to influence a procurement process or the execution of a contract, collusive practices among applicants/bidders (prior to or after bid submission) designed to establish bid prices at artificial, non-competitive levels and to deprive the procuring agency of the benefits of free and open competition and any request for, or solicitation of anything of value by any public official in the course of the exercise of his duty;
- (ii) “coercive practice” means impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to achieve a wrongful gain or to cause a wrongful loss to another party;
- (iii) “collusive practice” means by arrangement between two or more parties to the procurement process or contract execution, designed to achieve with or

without the knowledge of the procuring agency to establish prices at artificial, noncompetitive levels for any wrongful gain;

- (iv) “integrity violation” means any act which violates the anticorruption policy including corrupt, fraudulent, coercive, or collusive practice, abuse, and obstructive practice;
  - (v) “obstructive practice” means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in a procurement process, or affect the execution of a contract or deliberately destroying, falsifying, altering or concealing of evidence, material to the investigation or making false statements before investigators in order to materially impede an investigation into allegations of a corrupt, fraudulent, coercive or collusive practice; or threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation, or acts intended to materially impede the exercise of inspection and audit rights.
- (b) will reject a proposal for award if it determines that the bidder recommended for award of Project has, directly or through an agent, engaged in corrupt, fraudulent, collusive, coercive, or obstructive practices or other integrity violations in competing for the Project; and
- (c) will sanction/impose remedial actions on a firm or an individual, at any time in accordance with applicable laws and anticorruption policy including declaring ineligible, either indefinitely or for a stated period of time, to participate as a contractor, nominated subcontractor, consultant, manufacturer or supplier, or service provider; or in any other capacity, if it at any time determines that the firm or individual has, directly or through an agent, engaged in corrupt, fraudulent, collusive, coercive or obstructive practices or other integrity violations.
